SYNOD	**$2,899.20**	**$25,423.47**	**33.5c**	**74.7c**

On December 31, 1938, the Thanksgiving Offering received at Barium Springs for 1938 had totaled $37,681.81, which was $1,885.18 less than had been received on December 31, 1937 as the 1937 Thanksgiving response. In the first nine months of 1937-1938, Synod regularly contributed $26,166.20 to Barium Springs as compared with $25,570.86 in the first nine months of 1938-1939. The difference in the regular giving was $595.34, in favor of 1937-1938. Therefore, the regular and Thanksgiving decreases combined gave Synod a net decline of $2,370.52 in its giving to Barium Springs during the first three-fourths of the year now in progress.

In order for the Synod to equal the 1937 Thanksgiving Offering aggregate, $6,375.13 additional Thanksgiving Offering would have to be forwarded to Barium Springs from Jan. 1, 1939 through Dec. 31, 1939 - the day that the fiscal year concludes. Approximately $3,000.00 additional Thanksgiving Offering had been welcomed at the Orphanage from Jan. 1st through Jan. 17th, leaving around $3,400.00 more necessary to come up to the Thanksgiving Offering of the previous year.

The following shows the Thanksgiving Offering from the various Presbyteries for the two years - the final for 1937, and the amount that had been received at Barium Springs on Dec. 31, 1938:

Presbytery	1937 Final	1938 through Dec. 31, 1938
Albemarle	$ 2,226.14	$2,238.58

Winston-Salem	3,203.21	3,276.35
Totals	**$43,956.94**	**$37,581.81**

As for the giving of the various Presbyteries, the following is a comparison between the two years in the amount that had been contributed per member:

NINE OF 10 MEMBERS OF ORPHANAGE COMMITTEE CONFER AT GREENSBORO

Resolutions Adopted Asking Churches to Start Offering-Per-Month in Sunday Schools

MEET IN SEPTEMBER

Committee Desires to Make 1939 a Year of Visitation

An extraordinary meeting was held in Greensboro on Thursday, January 12th, the said meeting being described as such because nine of the ten members of Synod's Orphanage Committee assembled from all over the state of North Carolina and set aside their personal business cares and responsibilities to spend a day in discussing ways and means of increasing the regular income for the Home at Barium Springs. Undoubtedly, extraordinary results will follow the actions taken by this committee at its Greensboro meeting and from the efforts of the members during the next several months.

It will be remembered that the Synod last fall appointed an Orphanage committee for a two-year term, said committee to lend its assistance in getting good Thanksgiving Offerings for Barium Springs in the fall of 1938 and 1939, and in the intervening months to do what it could to increase the monthly receipts.

The committee recalled that a good many years ago the North Carolina Synod recommended the adoption of the Offering-per-Month plan in the Sunday Schools, and that Synod re-affirmed this recommendation at its annual session at Davidson a few years ago. In view of Synod's approval of the plan, the following resolution was passed at the Greensboro meeting, and each of the men present signed as many different copies of the resolution, so that each one of the committee would have a copy for his permanent files:

"WHEREAS, the Synod of North Carolina, in session at Greensboro, in September of 1938, appointed a committee charged with the responsibility of encouraging a more regular income from the Churches of the Synod for the Presbyterian Orphanage at Barium Springs;

"NOW THEREFORE, we, the members of said Synod's committee for the Presbyterian Orphanage at Barium Springs, do recommend that the session of each Church of our Synod order a monthly contribution to our Orphanage by its Sunday School, and designate and set apart one Sunday in each month for said contribution or offering.

The committee also expressed the belief that a former action should be followed out; viz, that a pamphlet be issued about the Orphanage with general information and distributed to the churches the latter part of February or early in March. The publicity committee of J. Archie Cannon, Concord; Rev. Harry K. Holland, Charlotte, and Ernest Milton, Treasurer of the Orphanage, met in Charlotte on Monday, January 16th, and prepared copy for that pamphlet which will be distributed through the Presbytery chairmen. Forty-two thousand of these will be printed.

Information was furnished each committeemen on what the churches in his individual Presbytery had contributed as Thanksgiving Offer-

FOOTBALL BANQUET IS STAGED IN DECEMBER

'Tators—tiny potatoes, small 'tators, middle-sized potatoes and big 'tators—was the "keynote" of the annual football banquet at Barium Springs on Friday night, December 16, at which time approximately 175 people gathered in the dining room of Rumple Hall, with the football warriors of the Orphanage as the main center of attraction. Guests were present from Statesville, Troutman, Davidson and East Monbo, and Glenn Calhoun, principal of the schools and one of the two football coaches at Barium, was the genial toastmaster.

Features of the affair were the awarding of two new trophies which will be annually offered by Alwyn Morrison in memory of his father, announcing the selection of J. D. Beshears as the most valuable varsity player of the 1938 season, presentation of Rex Lewis as captain-elect of the 1939 team, and the announcement by R. E. Jackins the other Barium football mentor, that the workers of Barium were giving Jos. B Johnston, superintendent, a trip to the Sugar Bowl classic at New Orleans on January 2nd.

The "keynote" was inadvertently sounded by Jim Gray, of Statesville, news editor of The Statesville Daily, who was called upon to make another speech by popular demand of the Barium boys. He did not realize that he was predestined to present a trend of thinking that was capitalized upon by other impromptu speakers of the evening, for he actually thought that he was making a speech "to end speeches" when implored upon to make a few remarks. His dissertation led Mr. Calhoun, who was the "goat" of some of the subtle slants from Mr. Gray's tongue, to assure him that he would be called

CAGE TOURNEY TO BE RUN OFF IN FEBRUARY

Dates for the eighth annual Mid-Piedmont Basketball Tournament, to be staged at Barium Springs between 32 basketball teams within a radius of 75 miles of this place, have been announced for February 16th through February 20th. This announcement was made by R. G. Calhoun, principal of the Barium Springs schools, who is in charge of this tournament and has been directing them since their inception eight years ago.

Mr. Calhoun stated that invitations would be mailed out to a large number of boys' and girls' basketball teams within the next two weeks, and when all applications are in hand a selection of the 16 girls' sextettes and 16 boys' quintets to participate will be made. All teams will play on the opening date, Thursday, February 16th; the quarter finals will be staged on Friday among the 16 surviving contingents, the semi-finals will be on Saturday and on Monday, February 20, the finals will be held.

Copeland girls defeated the Bain girls, 37 to 29, to win the 1938 tournament, and the Scotts' boys triumphed over Troutman, 44 to 27, to be the defending champions for the February, 1938, tournament.

Loving cups are awarded to the winning teams, individual medals to members of the championship crews and those on the runner-up teams, foul-shooting trophies to the boy and girl caging the most foul shots, and an award to the best-dressed girls' team participating in the tournament.

These same awards will be made at the conclusion of the 1939 tournament.

Football Season's Activities Reviewed

(Continued From December Issue of The Barium Messenger)

Now for the 125-pound history: On September 24, they began their season against Kannapolis at Kannapolis. By the way, this team was made up almost entirely of the 1937 100-pound championship team, and this meant that when the 1938 season started these boys had all outgrown the 100-pound squad. For this reason also, they were a team already when the season started. They were used to each other, familiar with the plays, and were ready to go to town. They demonstrated this against a powerful Kannapolis crew, defeating them 41 to 0. They executed their plays with such precision the Kannapolis rooters were cheering for Barium before the game was over.

On the morning of October 1, at Oxford, the 125-pounders defeated Oxford 25 to 0. Three of these touchdowns were scored in the first quarter on the up-hill end of Oxford's football field, which is quite steep. The most thrilling play of the game was Ed Cole's return of the first kick-off for a touchdown. Even the Oxford folks cheered these performances. Later that same day, this team was a guest of Doc Newton and State coaching staff for the N. C. State—Carolina game in Raleigh.

On October 11th, Statesville visited Barium and was defeated 26 to 0, in a real battle. Statesville's varsity teams are usually woefully weak, but they make up for it in the strength that their midget teams have. Their 125-pound team can play in anybody's company with credit.

On October 18th, Concord visited Barium and were defeated 57 to 6, but managed to pull off one of the most beautiful plays of the season when their man ran a kick-off for a touchdown. This was the only score against this Barium team for the entire season. Barium was in top form that day, and the execution of forward passes, laterals, hipper-dippers, was a delightful thing to behold.

On November 1, Kannapolis returned her game to Barium, and in the meantime. Kannapolis varsity had defeated the Barium varsity. It appeared that the younger members of our Barium family were out to avenge that defeat. And although the Kannapolis boys played splendidly, the final score was (believe it or not!) 85 to 0, in favor of Barium.

On November 5th, (Saturday A. M.) Oxford Orphanage came to Barium, and this was played in the pouring down rain. As a result neither team was able to score. Barium pushed the Oxford team all over the field, except of course the final line. Oxford did not seriously threaten at any time during the game. By the way, it was this same group of boys that fought the 1937 100-pound team to a scoreless tie at Oxford. These were the same boys making up different teams for both orphanages, in different weight limits.

On November 8 we journeyed to Concord and defeated Concord on their own field 20 to 0. The team that showed the most remarkable improvement during the season was the Concord 125-pounders.

Then on November 15th, Barium went to Statesville and had difficulty in beating Statesville 6 to 0. This was that same team that put up such a battle on Sloan Field. They did even better when met on their own homegrounds in Statesville.

And that brings us up to the final game of the season, which was the final game of a Four Game Midget Carnival played in Charlotte.

Several weeks before the end of season the Charlotte coaches invited Barium to send four teams to meet teams of similar weights in Charlotte at the Stadium for an all afternoon fracus. The weights agreed upon were: 85 pounds, 105-110, 115-120, and 130-135. The regular Barium 125-pound team played in this top bracket, and their game was the real high-light of the afternoon at this Midget Carnival. They defeated the Charlotte team 14-0, the scores being a safety and two touchdowns.

We cannot dismiss this 125-pound team without going further into detail. The whole team is a joy to behold when in action. The backfield boys have stayed so near the same in weight that you can virtually set the scales for one and the other three will tip them for the same. Their names are Miller Blue, quarterback; Ed Cole, Joe Ben Gibbs, and Henry Pittman. They have played together on the 85, on the 100, in recent years, and now they are backfield mates on the 125. Three of them will certainly see service on the varsity next season. Unfortunately, Miller Blue (that is, unfortunately for the team since he has been the signal caller and the sparkplug at all times) will be graduated this year. This is the team that earned the name of SYMPHONY IN BLUE when they were hundred-pounders. They carried that on until this year they were called the RHAPSODY IN GOLD. They changed uniforms, but they did not change their rhythmic habits. Next year we predict that they will earn the name of the RAGTIME BAND IN RED when they don the red of the varsity. All in all, they played nine games. They won 8, and tied 1. Their total scores for the season being 274 to their opponents' 6.

Now for the 100-pounders: This particular team, by the way, is one of the most highly respected teams at Barium. They are really the "big midgets," being the veteran members of the light squad. They play a tough schedule, and it is very seldom that one institution holds the championship for more than one year. Barium's 100-pounders were champions in 1937. The Junior Order Orphanage (Lexington) was the champion in this weight for this year. Oxford and The Children's Home have all won their share of these championships. Last year, 1937, the Catholic and the Methodist Orphanage (both of Raleigh) joined in this championship race. The season's record for our 100-pound team is as follows:

On October 1 they played Oxford at Oxford, winning 2 to 0. This was a case of safety first, since it was this first score and it was from them that the varsity later got the habit. In two of the important varsity games, you noted how the safeties played such an important part. This game at Oxford is one of the toughest hurdles that our 100-pound team ever has to make. The Oxford boys play football for keeps, and the rivalry is just as intense among the smaller boys as it is among the older boys. That, by the way, is just the way it is at Barium.

On October 15 Barium went to Lexington and suffered a 20 to 0 defeat at the hands of the Junior Order Orphanage. The Junior Order backfield was the smoothest we have seen in operation this year in this weight limit.

On October 8th, the team journeyed to the Children's Home in Winston-Salem and suffered a 6 to 0 defeat in a hard fought and thrilling game. On November 22 the Children's Home returned their game to Barium, and this game evened the score by Barium defeating them 6 to 0. And these two games brought about a tie for second place in the Conference standing.

On October 18 our team defeated Concord at Barium 25 to 6 in a game that was wide open and that offered plenty of thrills.

On November 5th, Oxford came to Barium, and on the same rainy morning on which the 125-pounders played Barium, defeated the Oxford 100-pound team 7 to 0.

Here are the latest news flashes from the Baby Cottage.

"Ole Santa" has come and gone since you last heard from us. The morning before Christmas after we came from breakfast we all sung a few songs, had a little party of orange juice and cookies and then came the toys. We had so many toys we didn't know which end was up. We received dolls, wagons, cowboy suits, tea sets and everything you could think of.

The boy and girl scouts from Davidson paid us a visit. They brought all of the girls a doll bed they had made themselves. Sergeant Burton, of Davidson, gave the boys a candy treat and we thank all of the group for their kindness.

One of our boys, Kenneth Mayhew, is at the Infirmary in bed. We hope he gets well quickly.

Mama O'Kelly, Gertie Smith and Mary Duffie Coppedge pitched in and paid the girls' way to see the show, "Out West With The Hardy's," and we certainly enjoyed it.

Last week Mr. Sams invited us to see "Spring Madness." We enjoyed it very much and thanks to you, Mr. Sams.

One of our big girls, Hattie Michael, has moved to the Women's Building and we are very glad to have May Lynn Jones take her place.

A new year has slipped upon us without our hardly realizing it.

The dining room has been kept pretty busy since Christmas washing the dishes and cleaning up. We have put in the Senior table and that helps take a little more time.

Mr. Sams was very nice to invite us to see the show "Spring Madness." We thank you very much.

May Lynn Jones, one of our girls, has gone to work with the babies. We hope she enjoys her new work. We are going to miss her.

All of our teachers are back from their Christmas holidays and we really do mean to study hard. We are starting the New Year off right.

Miss Stevenson, our matron, is taking her week-end off and is going to be with her mother. We hope she has a nice time. While she is away Miss Eudy will be with us.

The girls and boys are busy practicing basketball. We hope to win most of our games this year.

We have made new curtains for our windows in what we call our "storage room." We have a new spread for the couch. Our radio is not so new but it has been kept so good we just call it new. We are proud of this room and we stay in there most of our time.

Well, it looks like our news is out.

We all had a happy Christmas, thanks to the friends who sent us gifts. Dr. and Mrs. Heath Nesbit, from Charlotte, sent us some candy which we enjoyed very much.

We were glad to have several friends and relatives visit us during the Christmas Holidays. Those who visited us were Tommy Lindsay's Mother, Bobby Whittle's Mother, the sister of Jack and Tom McCall, and Mrs. George Apperson, of Coleemee, who is a friend of Esau Davis. We had our annual football banquet just before Christmas. We had two boys on the All-Conference team.

Our basketball season has begun. Our varsity has already played a couple of games with Salisbury. We have a 100 and a 125 pound team. The 125 pound team has played two games, winning both, and are looking forward to a good season.

Our Christmas season is over but we can't seem to get accustomed to going back to school, because we all had such a good time during the holidays. We hope your Christmas season was a nice one ing and which had been received at and if it was anything like ours, you had a grand one!

Our next subject is on basketball. Our teams have played three games and the girls won all theirs but the boys lost one to Spencer, but here's hoping it the only one they lose, because we are trying very hard for the championship.

NINE OF TEN MEMBERS

(Continued From Page One)

Barium Springs through the morning of January 12th; a tabulation had been prepared for each Presbytery upon what each individual Sunday School did or did not do for the Orphanage regularly, and other pertinent information was furnished the committee members.

The committee decided that one of the most important things they can do is to get people to visit Barium Springs. That will be one of the aims - to make 1939 a visitation year. It was revealed that in the neighborhood of 1,000 visitors came to the Orphanage last fall. The Presbytery chairman want to get their own Presbytery committees to visit Barium Springs, and they will also endeavor to see that every church has some representative come to the Orphanage during 1939.

Before terminating the session which began at 12:30 and concluded at 3:30, the committee set Thursday, September 14th, as the next meeting date, the conference to be held at Barium Springs. Each Presbytery chairman will probably bring a carload of visitors with him.

FOOTBALL SEASON'S ACTIVITIES REVIEWED

(Continued From Page One)

Then on November 8 at Concord, Barium defeated Concord 12 to 0.

On November 12th, the Junior Order Orphanage came to Barium and defeated Barium 7 to 0. A blocked kick recovered in the end zone was the margin of victory. This game which for a time looked as though it would be a tie was the first time in recent years that any 100-pound team had gone through the season without a defeat or a tie. This Junior Order team accomplished that by defeating Barium on November 12. This wound up the regular season for the 100-pounders, but they were in that all-day carnival in Charlotte. They won their game in spite of a big handicap. Here is how: the Charlotte teams wanted to play three weights where we had been accustomed to play in two. So we took the heavier boys of our 100-pound squad and the lighter boys of the 125 in order to make up a team in the 115-pound weight limits, but in spite of the fact that some of the old timers on the 100-pound team were not playing on their regular team the 100-pounders came from behind and won their game 12 to 6. The Charlotte team scored the first touchdown by a magnificent return of a punt, and it looked for a time that the score would be 6 to 0 in Charlotte's favor. But in the last quarter Barium scored, first by driving over a touchdown and the second one on a concentrated passing attack. By the way, there are some players on this team you would do well to remember: A center named George Washington Lewis, an end named William Billings and a backfield boy named Ed Williamson. There are a lot of others who deserve mention, but these particular boys just changed their jersies and played in the next higher weight; playing the full game for both the 100 and 115-pound teams. After winning in their own weight 12 to 6, they lost to the Charlotte 115-pound team 7 to 0.

In the practice at Barium, the 85 and the 100-pound teams practice together, and the 125 and the varsity practice together. Now when teams are made up of boys from the two different squads, it is not as smooth a working team as when made up from one of these squads. This 115-pound team played a grand game, but they were not quite smoothly running enough to do any scoring. In the total activities of the 100-pound team, we find that they played 9 games, winning 6 and losing 3. They had a total score of 64 points against their opponent's 45.

We have already given you the results of that in-between team, 115, which lost their Charlotte game 7 to 0.

And now for the record of the BEGINNERS, the 85-pounders. All of the various weight teams actually compete with outside teams, and for this reason the 85-pounders have to display more courage because here is where they go into their first inter-scholastic competition. They are the smaller and weaker members of the midget squad. They get run over by the 100-pounders, sometimes laughed at by visitors. They seldom win a game, but if we did not have the 85-pound team, it is doubtful if our varsity would amount to much. We take off our hats in the deepest respect to our 85 pounders and their efforts to keep Barium Springs on the map. This team only played three games. Their first one was against the Children's Home, which they lost 13 to 0. Their other was against the same team, which they lost also, by the identical score, 13 to 0. They went to Charlotte, and after giving up the strongest members of their team for the 100-pound game, they took on one of the strongest teams that Charlotte produced in this midget class. They lost 21 to 0.

If we were looking for alibis we could find plenty of excuses for these youngsters for their defeat in this game, but we don't play by alibis nor use them in our daily diet. These boys played three games with credit to themselves, winning none, but earning the respect of their opponents and the pride and affection of their older brothers on the larger Barium teams. When Barium has her football banquet of the year to honor her football warriors, the 85-pounders will receive their letters first, and they will have an honored place at the festive board.

We have not attempted in this brief review to name stars. It would make the article too long. We will simply give you the line-up of the teams, because all have distinguished themselves at some time or other during the year. In our varsity squad, little J. D. Beshears had most of the brunt of the ball carrying. We want to commend Arthur Roach for his excellent stepping into the quarterback's shoes with no varsity experience until this year. Our old stand-bys like Arthur Sigmon, Rex Lewis, Worth Bolton, Paul McKenzie have all done valiant service. And the ones we have not mentioned belong right along side of these we have called special attention to. Barium has played only the strong teams of her Conference. The teams outside of the Conference have been the ones well up near the top ranking in North Carolina teams. Barium has won over half of her games. The towns and cities where our teams have played this year have reported that our boys have won their respect and affection. And after all, that is the greatest reward of the season's activities. We'll forget the scores and the victories long before we forget the friendships made in these athletic contacts. From that night back in September when the season opened, to the afternoon of the Midget Carnival in Charlotte in the gathering dusk when the final signal was called, the 1938 season has been a joy. Not a boy has acted in a manner to discredit himself or the institution that we love. They have taken their bad bumps without a murmur. They have taken their victories without gloating. And we are proud of them.

FOOTBALL BANQUET

(Continued From Page One)

upon to speak again at the 1939 banquet.

Any way, Mr. Gray referred to a long-ago conversation between the two Joe's at Barium--Joe Clark, truck farm manager, and Joe Johnston, the superintendent. The former told the latter that "big 'tators from little 'tators grow" and this was the beginning, Mr. Gray contented, of the athletic program of developing big football stars from little stars, for this germ of thought offered by Joe Clark germinated under Mr. Johnston into a scheme of football teams, ranging from the pint-size 65-pound performers between halves of local contests to that varsity crew that this year contained some members that evidently did not eat enough potatoes along the route of their careers at Barium, notable among whom was the individual, J. D. Beshears, who was named by his teammates as the most valuable cavorter for the Orphanage's major and zenith eleven.

Mr. Gray's speech was not the only one of the evening. Others were called upon for a few remarks; others were simply introduced and necks craned to get a good look at those who had been asked to eat baked chicken, scalloped oysters, dressing, rice, gravy, cranberries, candied yams, celery, rolls, butter, stringed beans, banana salad, cake, ice cream, mints and to drink tomato juice and coffee with the footballers.

Eugene Shannon, former Barium athlete now at Davidson College, awarded the 85-pound letters; David Spencer, also at Davidson, presented the 100-pound certificates; the 125-pounders got theirs from Leroy Sossamon, a high school faculty member, and Harry Barkley, principal of the grammar schools who also assisted in tutoring the teams, awarded letters to the varsity members.

Jos. B. Johnston presented the two trophies which were given for the first time by Alwyn Morrison, and which will go to the best blocker and tackler on the varsity each year, by a vote of the players. The 1938 awards went to Howard Beshears as the best blocker and to Paul McKenzie as the eminent tackler. Mr. Johnston then reviewed the record of the South Piedmont conference, which showed a total of 40 games with outside opponents, 21 of which were won, 18 lost and one tied, the South Piedmonters scoring 405 points to their opponents' 330.

The concluding event of the evening was Mr. Jackins announcing that Mr. Johnston would be a guest of the workers at Barium when Texas Christian and Carnegie Tech locked horns in the Sugar Bowl at New Orleans. Mr. Johnston replied that if people were listening over the radio on January 2nd and heard the announcer say that there was a torrential downpour and nobody was there, except one person, and they couldn't get him out, the people at Barium would know that this was him and that he wasn't so sure that he would be thinking about football that day, but would be thinking of the people at Barium who had made this trip possible.

The following Barium boys were awarded their spurs:

85-pounders—Hervey Stricklin, Roscoe Smith, Richard Shoaf, Cecil Shepherd, Albert Mays, Charles Hooten, A. C. Gant, Frank Denson, Clifton Barefoot, Robert Whittle, Marshall Norris, Pleas Norman, Ray Lewis and Esau Davis.

100-pounders—William Billings, Paul Burney, Ben Lewis, Mott Price, Jack Weeks, George Lewis, Joe Long, Vance Smith, Ernest Stricklin, Ed Williamson, Rufus Long and James Porter.

125—Tom McCall, Jack McCall, Cecil Starling, Woot Davis, Gwyn Fletcher, Lacy Beshears, Miller Blue, Donald Bolton, David Burney, Ed Cole, Joe Ben Gibbs, Hugh Norman, Henry Pittman, William Smith, James Shroyer, Charles Starling and Jesse Weeks.

Varsity—Jesse Weeks, Bob Bosworth, Paul McKenzie, John Cole McCrimmon, McSherry Lackey, Worth Bolton, Lee Spencer, Capt. Arthur Sigmon, William Smith, Nelson Farmer, Arthur Roach, J. D. Beshears, Rex Lewis, Miller Blue, Ed Cole, Dalma Jessup, John Ellis and Billy McCall.
